

In Memoriam

Our hearts are truly saddened by the passing of Robert John (Rob) Bonahoom, VP, Commercial Lender. Rob was more than just a wonderful person; he was always kind and considerate to everyone he came in contact with both personally and professionally. We know his passing will not only leave a void in our lives, but in the hearts of all those who knew him.

Rob was a very hard working and enthusiastic member of our team. It is really very tough for us to believe that now he is not with us. We remember him with adoration and respect.

The warmest condolences to the family on behalf of his colleagues at First American Bank.
